

Hosting Terms and Conditions

REM Web Solutions is not responsible for the delivery of any goods or services sold or advertised through its external users home pages. Furthermore, REM Web Solutions is not responsible for the content of any user's home page. The opinions and views expressed in the users page(s) do not reflect those of REM Web Solutions. The contents of the users pages are not reviewed in any way by REM Web Solutions before they are posted.

We reserve the right to remove any page from the system, which is brought to our attention, and which we find, in our sole discretion, violates these page content guidelines, or otherwise is in violation of the law. REM Web Solutions does not actively monitor the content of user pages, but will investigate complaints of violation of these guidelines. Please submit any such complaints to webmaster@remwebsolutions.com. REM Web Solutions is also not responsible for any loss of data resulting from our deletion of user pages, network or system outages, file corruption or any other reasons.

Page Content Guidelines:

The following activities are not allowed on any web pages hosted by REM Web Solutions. If such activities are found on users web pages, the pages will be removed from our server, perhaps with no advance warning.

- Displaying material containing nudity or pornographic material of any kind;
- Providing material that is grossly offensive to the online community, including blatant expressions of bigotry, prejudice, racism, hatred, or profanity;
- Promoting or providing instructional information about illegal activities, or promoting physical harm or injury against any group or individual;
- Defaming any person or group;
- Promoting or soliciting for participation in multi-level marketing or pyramid schemes. Please visit the FTC web page for more information regarding money making schemes: <http://www.ftc.gov>;
- Conducting raffles or contests that require any type of entry fee;
- Displaying material that exploits children under 18 years of age;
- Developing restricted or password-only access pages, or hidden pages or images (those not linked to from another accessible page);

Using your page (or directory) as storage for remote loading or as a door or signpost to another homepage, whether inside or beyond REM Web Solutions;

Using your page for acts of copyright, trademark, patent, trade secret or other intellectual property infringement, including but not limited to offering pirated computer programs or links to such programs, information used to circumvent manufacturer-installed copy-protect devices, including serial or registration numbers for software programs, or any type of cracker utilities (this also includes files which are solely intended for game emulation);

Violating Internet standards for the purpose of promoting your home page;

Using REM Web Solutions for the purpose of gathering personally identifiable information for commercial or unlawful purposes.

REM Web Solutions reserves the right to remove from our server, at our discretion, any webpages not meeting these guidelines without a refund of the remaining months in the users service contract.
